

Dear Friends and Supporters of NEW Dancing With Our Stars,

At We EmpowHER, we believe in the power of community, connection, and second chances. Our mission is to empower women and their children through safe, supportive programming that builds confidence, resilience, and long-term growth. We’ve seen our approach change lives in Fond du Lac—and now, we’re ready to bring that same impact to the Green Bay area.

This exciting opportunity is only possible because of NEW Dancing With Our Stars (DWOS)—a dynamic and highly anticipated annual event that brings together local “celebrity” dancers paired with professional instructors for a night of dazzling entertainment, all while raising critical funds for nonprofit organizations across Northeast Wisconsin. DWOS is more than a dance competition; it’s a celebration of community generosity and the powerful change that can come from it.

We are honored to be one of the organizations selected this year, and with your support, DWOS funding will directly power our expansion into Green Bay. This is not about duplicating services—instead, We EmpowHER is here to enhance and strengthen the already amazing network of resources in the area. We are committed to collaborating with local partners, filling in the gaps, and ensuring every woman and child has access to meaningful programming that works.

The level of involvement we can have in Green Bay depends entirely on the generosity of supporters like you. Every dollar raised through DWOS brings us closer to launching our proven programs—mentorship, life skills, empowerment workshops, and community-building events—in a way that is sustainable and deeply rooted in local needs.

We know our model works. We’ve seen women heal, grow, and thrive through our programs. Now, with your help, we’re ready to bring that transformation to Green Bay.

We look forward to your support!
